On the Exhibitor Success Centre, we have divided the video training into several 10-15 minute segments. This has been done purposely to facilitate on-line training. If you would prefer to view the video on your DVD player rather than on your computer or wish to screen the DVD for a sales meeting or a larger group, we are able to supply you with the unedited, 60 minute plus version on a DVD.

The price of the DVD is \$99.00 plus any applicable taxes, shipping and handling.

We accept Visa, MasterCard or Certified Check. To purchase the DVD, please complete the form below.
